

ABOUT US

Imbabali Retreat & Venue is nestled at the foot of the picturesque Magaliesberg Mountains, just an hour's drive from both Johannesburg and Pretoria. Our retreat invites you to reconnect with nature, where wildlife roams freely and indigenous flora flourishes in abundance.

We offer a range of accommodation options including three self-catering cottages – the Wild Olive Chalet, Grapevine House, and Caravan & Camping sites – perfect for every kind of getaway.

Unwind beside two scenic dams, ideal for picnics and catch-and-release fishing, or enjoy a tranquil walk down to the river, explore the manicured gardens, or let the kids run free on our jungle gyms
